For many years we have traveled extensively in the United States, Central and South America, and European countries in search of fine orchids. Wherever we have found fine plants available, we have purchased them. From time to time, orchid enthusiasts visiting Rivermont have wanted to buy some of the fine plants which they have found in bloom here. However, we have always followed the policy of never selling the original of exhibition and stud plants. We now have divisions of some of these plants and are offering them for sale at prices adjusted to the present market. In many cases, these prices represent only a small fraction of the prices paid for the original.

All of the fine plants in our collection are numbered and pertinent information concerning the plant is kept on file cards. The description given the flower is written on these cards as the plant is in bloom. These records are re-checked and in many cases the flowering habits of these plants have been observed over a period of many years.

These divisions are well established in clay pots and are of flowering size. The information given is an accurate portrayal of the flower as nearly as we are able to describe it. Connoisseurs and hybridists may purchase these divisions with full confidence that they are worth the prices asked for them.

Since we have only one plant of almost all of those listed, it would be desirable to express a second and third choice when ordering. Unless otherwise requested, all plants shipped in the United States will be sent in clay pots by Air. Prices are F. O. B. Chattanooga - No charge for packing.

ORCHID FORUM AND COTTON BALL

Miss Betsy Sumner, daughter of G. W. Sumner, Honolulu, Hawaii, will be the Orchid Princess at the Chattanooga Cotton Ball on the night of September 2nd.

On Saturday morning, September 3rd, we expect to hold an orchid forum with several guest speakers on various subjects of interest to orchid growers. Following the meeting, our visitors will be guests at a luncheon at the Signal Mountain Golf & Country Club. Our greenhouses will be open during the entire week-end.

You are cordially invited to attend. Please advise on the attached card so that we may make hotel reservations and purchase your tickets for the Cotton Ball.
